Why do you need an Adjuster License?

An Adjuster License is needed to work claims in the insurance industry. Just like any profession, you need a license to practice that trade. With the Texas All-Lines Adjuster License, you qualify for a reciprocal license in 32 states without having to take another exam.

Earn Certification offers this pre-licensing course to help individuals like you become employable licensed adjusters. If you search any job position for claims adjusters, you will find that one of the requirements is to be licensed.

Now is the time to register for class!

Don't miss this opportunity to make yourself available for employment as a Licensed Claims Adjuster!

Why choose Earn Certification & Why Now?

Earn Certification is prepared to help you pass your exam!
A complete workbook is provided to each student.

The classes are held in a professional learning environment where the students are free to ask questions for a clearer understanding of the materials.

If you do not pass on the first try, Earn Certification offers you the opportunity to retake the exam one time free of charge without having to retake the course.

Now is the time to register because hiring firms are looking for Licensed Adjusters to add to their rosters for deployment.

Earn Certification will provide you with valuable information about contacting these hiring firms. We will also provide continued support after your course is completed.

Make sure you are employable by registering now!
